# PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

As we approach the end of what has been a very long term, I want to take a moment to acknowledge the hard work and dedication of our entire school community. This term has had its challenges, but I am incredibly proud of how our students have risen to the occasion. We are now in the final stretch, and it is more important than ever to keep pushing through and embodying the values that make our school special.

## **Important Reminder: Road Safety**

We have received numerous reports from parents and community members expressing concerns about students' safety on their way to and from school. This includes students who are walking and those riding bikes. Safety should always be our top priority.

Here are some key reminders to discuss with your child:

- Walking to School: When crossing the road, please remember to look in all directions. Look left, right, and then left again, and cross only when it is safe to do so.
- Riding Bikes: Before crossing any road, make sure to come to a complete stop. Look in all directions and ensure it is safe before proceeding.

Your safety is paramount, and taking these simple steps can make a big difference.

## **Reports Distribution**

Student reports will be sent out in Week 11 via email. This is an opportunity for students to reflect on their achievements this term and identify areas for growth. We encourage all students to discuss their reports with their parents and teachers and set some goals for the next term.

## **P&C**

A big thank you to our amazing P&C for all their work organising Bogan Bingo. I look forward to seeing many of you there!

Warm regards,

Stephanie Le Lievre  
Principal

**Help kids in care  
keep warm.**

**The Foster Share Shed**  
INC

The Foster Share Shed has put out a call for new pyjamas needed for the cold weather ahead. Often children enter foster care with little to no belongings and this is just one small way the community can help these vulnerable children.

Serpentine Primary School is a drop off point for pyjamas so if you would like to donate some PJs please drop them in to the office any time during the month of June. Sizes 1 - 16 are needed.

Miss Dowson had a Serpy PS cheer squad at her game on the weekend!

**18+ Event!**

**Bogan Bingo**  
WE ROCK. WE KNOW.

**Serpy Primary P&C**

Did you know that anxiety is one of the most common co-occurring symptoms in young autistic individuals? The teenage years come with many pressures and challenges. Because of this, anxiety is something that affects all young people at some point.

In this webinar we will explore:

- Key facts about anxiety
- Practical strategies for helping teenagers with Autism to cope with anxiety
- Available resources, services and supports.
